

# Douglas Score Training Seminar

## *being held at TVDA (Paeroa)*

Here is the chance for all you hunters out there to learn some more about the art of Douglas Scoring your trophies and also getting an insight into the finer points that make the Douglas Score what it is. ***Even for those who are not hunters but are keen to learn another skill relating to our sport – this could very well be just what you are looking for.***

It is not a difficult course by any means – it is a ‘hands on’ course and you will be working with people that have been doing DS Measuring for many years that are only too happy to share lots of knowledge and tips along the way.

There are several levels within the overall DS training programme and this course will be covering the introductory level. For many people that is more than adequate for what they want or need to help them with their measuring but it is also the first step on the ladder for those who want to take this aspect of their sport further afield.

**The date set for this is SATURDAY 30<sup>TH</sup> NOVEMBER at the TVDA Clubrooms in Paeroa.**

**Start time is 9.00am and it will finish approx. 4pm**

The Registration Cost is \$30 Per person which also covers your pre-course reading material etc and the you can also order the other items depending on what you need.

You will definitely need the:

- Douglas Scoring Handbook and the
- Imperial tape measure (as got from NZDA because it's a narrow steel tape).

Morning and afternoon tea and lunch is provided free of charge by TVDA.

Please contact Kelby Stewart by phone 021 395400 or email [imazx9er@hotmail.com](mailto:imazx9er@hotmail.com) if you want to book in for this course, and the Registration and order form will be sent out to you.

**Once you get the form, please make sure you fill it in and send it back promptly to confirm your spot on the course**

*As a further offer – if anyone would like to stay the night at the TVDA clubrooms and take part in our .22 running boar event the next day, please also let us know. Just bring a sleeping bag and a stretch, the supermarket is just down town (2-3 minutes away) if you need groceries etc for dinner and breakfast ..... and don't forget your .22!!!*
